Brady's Book of Fixed Stars - Books by Bernadette Brady

Brady's Book of Fixed Stars brings the world of fixed stars to the tropical astrologer. Her method of delineation takes into account the ancient myths associated with the constellations, and her introduction of the ancient technique of star "parans" has consistently shed additional light on natal charts for me.

Brady's Book of Fixed Stars by Bernadette Brady

This 20th century classic has long been recognized as an outstanding and comprehensive book about the fixed stars - so-called because ancient astrologers wanted to distinguish them from wandering stars, known today as planets.
