### Cro Differentiation Isr Reports Industry

CRO Differentiation Whitepaper. The biopharmaceutical industry is becoming increasingly dependent on contract research organizations (CROs) for their clinical development. However, the selection of a service provider partner is still a "risky" proposition given the lack of clearly differentiated CRO service offerings.

### CRO Differentiation Whitepaper | Industry Standard Research

December 2008 ISR reports 3 CROs - Differentiate Yourself Cause 1. No differentiation among the mid-size and large CROs • all of them say they are full-service, global in reach and have therapeutic expertise 2. No strategic imperative • given the recent strengthening of demand for CRO services, CROs have not had to fight hard to win business 3.
