son, this sounded like it  
would be a perfect fit  
for me. Once I began

sea-birds, penguins  
have a very long pre-  
fledge duration; from  
56 days in the Adelie

Then, when the big kids go off to the coffee house next month, the parents and littles will watch the Charlotte's Web movie and do some fun, hands-on activities. So, back to Deconstructing Penguins and middle schoolers. This is getting to be a long post, but hang in there. We're getting to some
