### History of Political Theory: An Introduction: Volume II ...

This history of political theory is written in the light of the hypothesis that theories of politics are themselves a part of politics. In other words, they do not refer to an external reality but are produced as a normal part of the social milieu in which politics itself has its being.

### A History of Political Theory by George H. Sabine

Aquinas and Machiavelli were chosen for the research, because both philosophers have made an outstanding contribution to the development of political philosophy with their original views. The first philosopher, whose name is Aquinas, is worth some special attention, and it will be interesting to compare his views with the vision of Machiavelli.
