That's not all as you can read a lot of related articles on the website as well.

## Mogworld

Other than that, Mogworld is a lot of fun if you're a fan of MMOs, or D&D-style fantasy adventure games, or spoofs of the fantasy genre in general. Yahtzee Croshaw brings his renowned wit to the world of novels, and while I miss the crudely-drawn stick-like figures against a yellow background, there's plenty of entertainment to be had here.

## Mogworld by Yahtzee Croshaw - Goodreads

Mogworld, being Yahtzee's first novel, starts off a little blundering but quickly picks up the pace and becomes frequently hilarious as Croshaw warms to his theme. The characters remain constant and new faces are introduced often to keep the reader interested but not too many to overload the story.

### **Mogworld (Audiobook) by Yahtzee Croshaw | Audible.com**

Mogworld provides examples of: Aerith and Bob; Affably Evil: Baron Civious has been cultivating a image of being a cool Evil Overlord with a booming voice, but behind the scenes, he is more of a Dark Is Not Evil guy who spends most of his time bickering with his wife and, thanks to his recent dethroning, being the leader of La Résistance.. Lord Dreadgrave also falls under this trope.

## **Yahtzee Croshaw (Author of Mogworld)**

Mogworld is a book written by Yahtzee Croshaw, the mastermind behind the Zero Punctuation video review series. The book follows the story of Jim. Jim lives in your typical fantasy world with sword, sorcery and more heroes than you can shake a stick at. Mogworld reminds me of the early Terry Pratchett books.

## **Mogworld review: Mogworld brightened my world**

Boing Boing "With Mogworld, Croshaw has shown his razor sharp humor can stay intact for 400 pages and, more importantly, he's proven he has the chops to tell an interesting, unique and utterly entertaining narrative that moves along at a quick clip and never loses its charm."
