Ontario Ppe Exam Guide

Writing the National Professional Practice Exam. The exam has 120 multiple-choice questions based on 6 subject areas. Ten of these questions are PEO-specific and deal with the Professional Engineers Act, Regulations 941 and 260/08, and Ontario focused practice issues. The remainder are based on information in the textbooks and other resources.

Professional Practice Exam | Professional Engineers Ontario

One of the final steps to be licensed in Ontario, the engineer, must be able to demonstrate their knowledge of the laws and ethics that govern the profession through the PEO PPE. Unlike the multiple-choice NPPE, the three-hour, closed-book PEO exam is an essay format consisting of two parts. Part A tests the individual's knowledge of Professional Practice and Ethics and Part B covers Engineering Law and Professional Liability.
