In the book *The Cold War: A New History*, John Lewis Gaddis proposes a unique vision of the Cold War and its impact on the world and relations between the USSR and America. The book consists of seven chapters devoted to different aspects of the Cold War and relations between the world states. The caution of political leaders did not obviate the risk of reckless subordinates.

### **The Cold War: A New History | Free Essay Example**

What looks to be the new cold war between the United States (US) and China is intensifying with every passing day. And the present cold war, like its predecessor, between two economic giants, is being fought outside the borders. The battle over Huawei is by far the most significant manifestation of this new round of hostilities between the two technological superpowers.

### **A New Cold War**

The new cold war is permanent because of a host of factors that generals and strategists understand but that many, especially those in the business and financial community who populate Davos, still...

### **A New Cold War Has Begun - Foreign Policy**

But this new global competition won't be like the last Cold War. It will be more fluid and nuanced than the struggle between the U.S. and the Soviet Union — for one reason above all others.

### **A Different Cold War - The New York Times**

I have argued that this new Cold War is both inevitable and desirable, not least because it has

jolted the U.S. out of complacency and into an earnest effort not to be surpassed by China in ...

It's not going to be another Cold War, but it definitely will be a conflict." The Cold War analogy doesn't quite work, experts say, because the post-World War II conflict between the U.S.-led West and the Soviet-dominated East featured two competing political and economic systems that were self-contained and separate.

### **A new Cold War between U.S., China may have already begun ...**

The Americans and the British worried that Soviet domination in eastern Europe might be permanent. The Cold War was solidified by 1947-48, when U.S. aid had brought certain Western countries under American influence and the Soviets had established openly communist regimes.
