## **The Franchise A History Of**

Until recently, most articles about the history of franchising in the United States began with a claim that "Albert Singer" was the first commercial franchisor in the United States. As it turns out, John "Albert" Singer was only seven or eight years old when his father, Isaac Merritt Singer, founded the I.M. Singer & Company in 1851 - and at no time in its long history did the Singer ...

## **The History of Franchising As We Know It**

Franchise comes from the French verb franchir, meaning “to free,” itself from franc meaning “free.” Franc is the origin of the English word frank (“marked by free, forthright, and sincere expression”), but it originally referred to the West Germanic tribe of people who lived in what is now France in the early Middle Ages. They gradually displaced the Romans over time, and their ...

take place until after World War II. Nevertheless, the rudiments of modern franchising date back to the Middle Ages when landowners made franchise-like agreements with tax collectors, who retained a percentage of the money they collected and turned the rest over. The practice ended around 1562 but spread to other endeavors.
