### Project MUSE - The Study of Ethnomusicology

Ethnomusicology is the study of music within the context of its larger culture, though there are various definitions for the field. Some define it as the study of why and how humans make music. Others describe it as the anthropology of music. If anthropology is the study of human behavior, ethnomusicology is the study of the music humans make.

### What Is Ethnomusicology? Definition, History, Methods

This book looks at the field of ethnomusicology - defined as the study of the world's musics from a comparative perspective, and the study of all music from an anthropological perspective - as a field of research.

### The study of ethnomusicology : thirty-one issues and ...

ethnomusicology, often difficult and even frustrating, has usually also been a lot of fun, for myself and my colleagues. I beg forgiveness, as before, for these moments of levity, reminding the reader that the study and teaching of ethnomusicology is what I have been most serious about in fifty years of academic work.

### The Study of Ethnomusicology

Known affectionately as "The Red Book," Bruno Nettl's The Study of Ethnomusicology became a classic upon its original publication in 1983. Scholars and students alike have hailed it not just for its insights but for a disarming, witty style able to engage and entertain even casual readers while providing essential grounding in the field.
